

**A Resolution to Support  
Senate Bill 677 & House Bill 1723  
To Repeal the County to County Honey Bee Transport Permit Requirement**

Whereas, The \_\_\_\_\_ Beekeepers Association is formed to promote beekeeping through education of its members and the general public;

Whereas, The current intrastate transport permit requirement does not benefit the beekeeping industry or pollinators

Whereas, The current intrastate transport permit requirement serves only to put an unnecessary burden of time & finances on beekeepers and beekeeping; therefore be it

*Resolved*, That the \_\_\_\_\_ Beekeepers Association supports Senate Bill 677 and House Bill 1723 that is current before the 2019 Texas Legislature which would repeal Section 131.043 of Chapter 131 of the Texas Agriculture Code also known as the *Intrastate (county-to-county)* bee transportation permit in Texas.
